

**Problem:** Unable to print form (PDF file) in Internet Explorer.

**Solution #1:** Click the “Print” icon in the PDF window to print the form. (The PDF window is the window that surrounds the form. The “Print” icon is the first icon in the upper left corner of the PDF window.)

Still not working? Try...

**Solution #2:** Print the form as an image.

**Instructions:**

- 1) Click the “Print” icon in the PDF window
- 2) Click “Advanced” button
- 3) Click “Print As Image” box
- 4) Click “OK” to save settings
- 5) Click “OK” to print form

If you are still unable to print form, email us at [rickmclaughlinvolleyball@cox.net](mailto:rickmclaughlinvolleyball@cox.net) and let us know so that we can email the forms to you.
